## PRESS RELEASE

Marseille, 16 June 2022

# CIS: Caroline Flaissier as a new independent corporate administrator

**Following the proposal of the Board of Directors, the appointment of Caroline Flaissier as a new independent corporate administrator has been confirmed during the General Meeting of CIS today.**

Caroline FLAISSIER graduated from the *Ecole Nationale Supérieure des Mines* (ENSM) in Nancy and holds a Master's degree in Energy Physics from the *University of Paris 6 Pierre et Marie Curie*. She is a Senior Client Partner Executive Search of the international talent and organisation management consultancy firm, KORN FERRY.

She was previously Managing Director of *ENGIE Entreprises & Collectivités* in France, where she led the transformation of the company and the evolution of its operational model towards innovative services related to the energy transition. Previously, Caroline FLAISSIER spent 16 years at *TotalEnergies* where she held various management positions, both operational and functional.

Caroline FLAISSIER is a member of the supervisory board of the infrastructure fund *Infravia Capital Partner*, and Partner of the accelerator *50 Partners Impact*. Caroline FLAISSIER is also a Young Leader of the French American Foundation, and winner of the "Next Leader Award" of *Les Echos* for digital in 2017.

"We are very pleased to welcome Caroline Flaissier to the Board of Directors and the Strategic Committee of CIS. I am convinced that her experience in the management of leading groups, her expertise in international strategic consulting and her networks in the fields of energy transition will constitute additional assets to fuel our strategic vision and accompany our development", as Régis Arnoux, Chairman and Founder of the CIS Group, points out.

### **About CIS**

*CIS was created in 1992 by its Chairman and Chief Executive Officer, Régis Arnoux. CIS Group has been supporting major players in the energy, mining, construction and armed forces sectors, at every stage of their projects, in the most remote offshore and onshore environments. As a provider of integrated services, CIS has a full range of services and turnkey solutions designed to assure the well-being and safety of the residents of our remote sites so that our customers can concentrate on their own core businesses. Present in 19 countries with nearly 290 operating sites and a worldwide staff today numbering more than 15,000, CIS has a strong commitment to contributing to the economic and social development of the local populations and countries where it operates.*
